Thank you so much for your enquiry to become a Member of Friends of the Family Winchester Limited. We are very grateful for your continued interest and commitment to this organisation and the work it undertakes with vulnerable families and their children aged 0-13 years in the Winchester area.

Benefits of membership

As a Member of Friends of the Family Winchester, you will be included in invitations to our events and will receive regular newsletters and updates on our activities.

You can also play a part in shaping how we are run by voting at general meetings as each member has one vote.

You can also find out about volunteering, campaign and fundraising opportunities.

And we hope you will share your views with us about how we can do better and be more effective.

Rights and obligations of membership

Membership is open to any individual of age 16 or older who registers by completing an application form. Organisations may also apply to become members. Membership becomes effective once the membership form is countersigned by a Director of the charity.

Members will receive notice of general meetings of the charity and each member will have the right to one vote.

There is a suggested minimum annual contribution of £15 which you can donate in a variety of different ways as listed on the application form attached. Also if you are a UK tax payer then completion of the gift aid declaration would be very much appreciated as the charity can claim an additional 25% on top of your donation at no cost to you.

There are no obligations of membership other than to keep us up to date with your address details. Members may resign at any time in writing to the directors and the directors may also refuse or remove membership if they consider it is in the best interest of the charity to do so.

If you would like to become a member then please complete and return the application form enclosed.

Many thanks once again for your continued support.
